# Mini LED Fiber Optic Kit

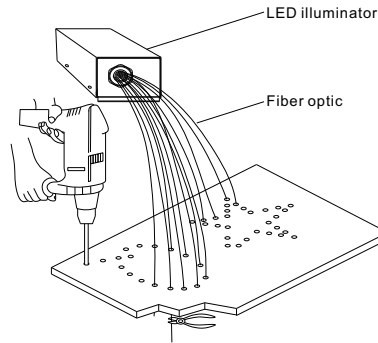

Fiber optic kits, a pretty production for the ceiling star sky stary and other location! Owing its easy installation and convenient operation, any person can do it by their own design or idea, any pattern or size can be done. As that below has dozens of different function and color for customer selection. It do receive a magic, amazing, dynamic and wonderful ceiling sky.

### Features:

- \*Small size machine
- \*High quality
- \*Long life LED lamp
- \*No Noise
- \*Energy Saving
- \*Convenient installation/maintenance
- \*1 lamp control multi light point
- \*100-800 strings fiber volume
- \*Fiber No heat, No electricity

### Materials need:

- \*LED illuminator
- \*Plastic fiber optic
- \*Fiber optic End fitting optional

# LED Illuminator

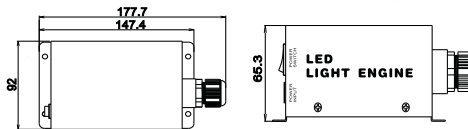

### LLE-001

- \* 5pcs 20mA mini LED
- \* 5 colors changing
- \* 14 programs preset
- \* Speed adjustable
- \* Fiber optic port diameter 12mm
- \* Fiber Qty:100-200pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

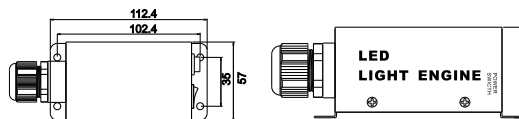

### LLE-003

- \* 5W Super-brightness LED
- \* 6colors wheel / white twinkle wheel / color twinkle wheel
- \* Speed adjustable
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty:200-400pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

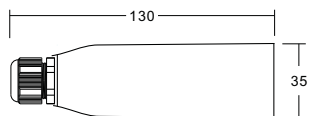

### LLE-004

- \* 3\*2W RGB LED
- \* RGB mixing color
- \* Speed adjustable
- \* Fiber optic port diameter 4mm
- \* Fiber Qty:200-400pcs Ø5mm
- \* DC 2V input
- \* No noise
- \* RF Remote controller optional

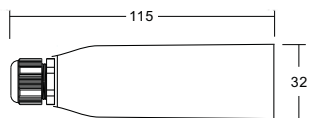

# LED Illuminator

## LLE-006

- \* 3\*1W RGB LED
- \* RGB mixing color
- \* Fiber optic port diameter 12mm
- \* Fiber Qty:100-200pcs 0.75mm
- \* DC 12V input
- \* No noise

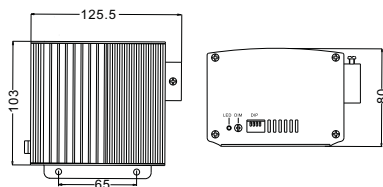

## LLE-007

- \* 3W Super-brightness LED
- \* Single color(R/G/B/Y/W option)
- \* Fiber optic port diameter 12mm
- \* Fiber Qty:100-200pcs 0.75mm
- \* DC 12V input
- \* No noise

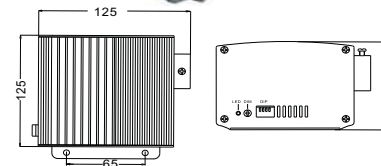

## LEA-501

- \* 5W Super-brightness LED
- \* 6colors wheel / white twinkle wheel / color twinkle wheel
- \* Speed adjustable
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty:200-400pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

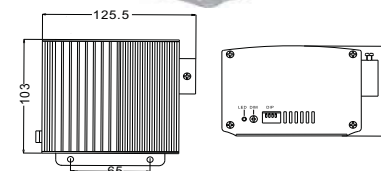

# LED Illuminator

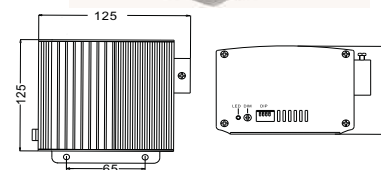

## LEB-321

- \* 3\*2W RGB LED
- \* RGB mixing color
- \* Speed adjustable
- \* 31 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty:200-400pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

## LEA-502

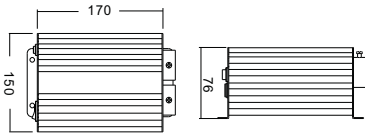

- \* 2pcs 5W Super-brightness LED
- \* 6colors wheel / white twinkle wheel / color twinkle wheel
- \* Speed adjustable
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty:400-800pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

## LEB-322

- \* 2pcs 3\*2W RGB LED
- \* RGB mixing color
- \* Speed adjustable
- \* 31 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty:400-800pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

# LED Illuminator

## LEC-302

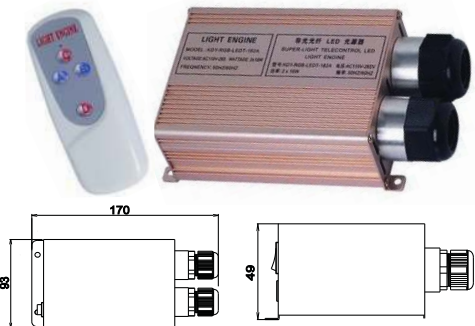

- \* 2pcs 3W Super-brightness LED
- \* 6colors wheel / white twinkle wheel / color twinkle wheel
- \* Speed optional
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty: 400-800pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

LED 16W,32W,45W high-brightness illuminator, big diameter port designed to input more fibers,

## LED-116

- \* 16W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Fiber optic port diameter 20mm
- \* Fiber Qty: 550pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* Low noise
- \* RF Remote controller optional

## LED-216

- \* 2pcs 16W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Fiber optic port diameter 20mm
- \* Fiber Qty: 1100pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* Low noise
- \* RF Remote controller optional

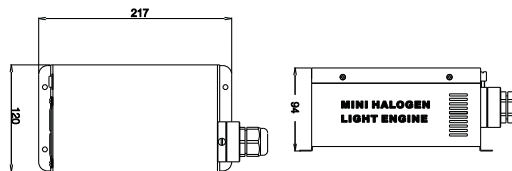

# LED Illuminator

## LED-216

- \* 45W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Fiber optic port diameter 20mm
- \* Fiber Qty: 1100pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* Low noise
- \* RF Remote controller optional

Mini 50W,75W halogen illuminator,compact designed size

## H-50mini H-75mini

- \* 50 / 75W halogen bulb
- \* 6colors wheel /white twinkle wheel color twinkle wheel
- \* Fiber optic port diameter 18mm
- \* Fiber Qty: 450pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* Low noise
- \* RF Remote controller optional

# DMX LED Illuminator

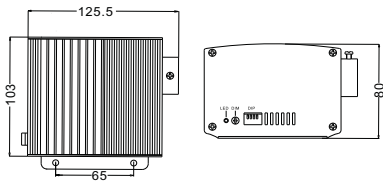

## Why should use DMX LED illuminator?

For still can using LED illuminator at those big size project, control them easier, or control them by other DMX controller, we think out standard DMX for LED illuminator to achieve our idea.

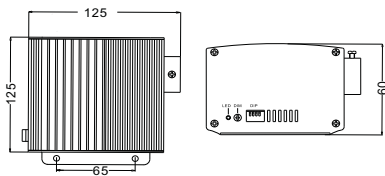

### LEA-501DMX

- \* DMX, Master/slave, Standard alone control
- \* 5W Super-brightness LED
- \* 6 colors wheel / white twinkle wheel / color twinkle wheel
- \* Speed adjustable
- \* 22 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty: 200-400pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

### LEB-321DMX

- \* DMX, Master/slave, Standard alone control
- \* 3\*2W RGB LED
- \* RGB mixing color
- \* Speed adjustable
- \* 31 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty: 200-400pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

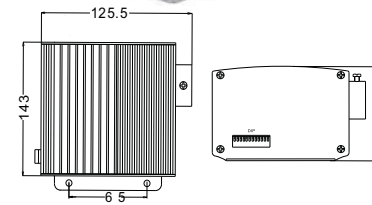

# DMX LED Illuminator

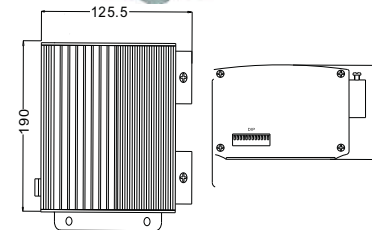

### LEE-501DMX

- \* DMX, Master/slave, Standard alone control
- \* 5W Super-brightness LED
- \* 2 Wheels inner (color wheel + twinkle wheel)
- \* Speed adjustable
- \* 18 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty: 200-400pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

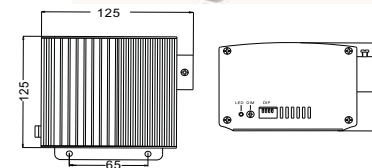

### LEF-502DMX

- \* DMX, Master/slave, Standard alone control
- \* 2pcs 5W Super-brightness LED
- \* 6 colors wheel
- \* Speed adjustable
- \* 22 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty: 400-800pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

### LEF-322DMX

- \* DMX, Master/slave, Standard alone control
- \* 2pcs 3\*2W RGB LED
- \* RGB mixing color
- \* Speed adjustable
- \* 31 program preset
- \* Fiber optic port diameter 14/18mm
- \* Fiber Qty: 400-800pcs 0.75mm
- \* DC 12V input
- \* No noise
- \* RF Remote controller optional

## New LED Illuminator

RGB Color LED 5W,16W,32W,45W high-brightness illuminator,  
IR Remote controller,Power ON/OFF function.

### 27W Shooting Star / twinkle illuminator

#### LEG-127

- \* 27W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Blink function
- \* Fiber optic port diameter 28mm
- \* Max Fiber Qty: 1200pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* IR Remote controller optional
- \* Size: L150\*H150\*W82mm

### Compact Size

#### LEG-105

- \* 5W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Blink function
- \* Fiber optic port diameter 18mm
- \* Max Fiber Qty: 300pcs 0.75mm
- \* DC 12V input
- \* IR Remote controller optional
- \* Size: L84\*H64\*W38mm

## New LED Illuminator

#### LEG-116

- \* 16W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Blink function
- \* Fiber optic port diameter 20mm
- \* Max Fiber Qty: 500pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* IR Remote controller optional
- \* Size: L130\*H95\*W55mm

#### LEG-216

- \* 2Pcs 16W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Blink function
- \* Fiber optic port diameter 20mm
- \* Max Fiber Qty: 1100pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* IR Remote controller optional
- \* Size: L130\*H95\*W55mm

#### LEG-145

- \* 45W RGB LED
- \* RGB mixing color
- \* Speed optional
- \* Blink function
- \* Fiber optic port diameter 30mm
- \* Max Fiber Qty: 1250pcs 0.75mm
- \* AC 110-240V input
- \* Fan cooling
- \* IR Remote controller optional
- \* Size: L178\*H195\*W76mm
